The Granby Education Tribute Program (above) is designed to honor Administrators, Teachers, Students, and Parents. The Foundation also offers three additional Tribute Programs.

1. Nannie Brown Fund

When Nannie Brown announced her retirement from Valley Pre-School (VPS), her fellow teachers and the VPS board of directors chose to honor and thank her for all she's done, for the school and for Granby, by establishing the Nannie Brown Tribute Fund through the Granby Education Foundation. This endowed fund supports the GEF's Community Grants, particularly, those programs which involve early childhood education. Donations are accepted year round and a listing of all donors to date may be found on our website.

2. Cal Heminway Fund

Upon Cal Heminway's retirement from the Granby Board of Education, a grateful Granby family established a Tribute Fund through the GEF to honor him for his many years of community service. This endowed fund supports the GEF's Community Grants, particularly, those programs which encourage civic involvement. Donations are accepted year round and a listing of all donors to date may be found on our website.

3. In Memoriam Tributes

In Memoriam Tributes allow you to make memorial condolences meaningful and charitable. A contribution can be made as a remembrance for family, friends, business associates, community leaders, and neighbors. Simply choose the amount that you wish to give and we will notify the family of the deceased, should you choose to provide us with contact information. At your request, the family or contact will receive a Memorial Tribute Letter, which will include the names of the donors and a personal message should you choose to include one. Anonymous donations are accepted as well.

For more information about these tribute funds or the grant programs that they support, please visit the GEF's webpage at www.granbyeducationfoundation.org. Donations to any of these tribute funds can be sent to the GEF, P.O. Box 351, Granby, CT 06035.
